

EPIC!

Dear Parents,

Encouraging reading is one of the most important things you can do to help your child succeed. But finding the right books can be tough.

That's why I'm happy that our class is using a wonderful new eBook service called "Epic!" - it's like a Netflix for children's eBooks with thousands of high-quality books.

The service is free for teachers, but Epic! can only afford to do this if enough parents sign up for the Home Version, which is \$4.99/month and includes a **60 day free trial**.

If you'd like to try it, just use the promo code: "EPICREADS" at www.getepic.com/promo.

Happy reading!
