Joint Crises Committees:

Order of the Phoenix, the Prequel. 1979 - 1981

The Dark Lord has risen to power and he is amassing an army to take over Britain. The Ministry is making futile attempts to stop him, but nothing has come of their efforts. To stop him, Albus Percival Wulfric Brian Dumbledore has formed a secret society called the Order of the Phoenix in opposition to The Dark Lord’s Death Eaters. Both groups are standing at the ready waiting for word on how to stop the other group.

These two committees are joint crisis committees that will be run in conjunction with each other. Everyone participating will need to be well versed in crisis committee procedures. It is also recommended that each delegate read the entire Harry Potter series before they attend this conference. More information will be provided once the individual character assignments have been given out.

It has been requested by the Secretariat that all Crisis Committee delegates have a wand in their passion at all times.
