

In keeping with the philosophy of Model Laboratory School to provide students with the opportunity to have experiences in all areas, we support and encourage extracurricular activities. However, it is our belief that the development of self-control, a positive self-concept, and acceptable behavior must be an integral part of these activities and is a reasonable concern of educators, parents, and students. To achieve this goal, it is necessary to communicate and promote the understanding of the rights and responsibilities of all persons concerned. This contract will serve that purpose, and a signed contract is a REQUIREMENT.

Additionally, for the 2020-21 school year, students are required to abide by the following COVID-19 protocols. **Anyone who refuses to follow the COVID-19 guidelines will be asked to leave.**

#### **COVID-19 Protocols**

- Each junior or senior may bring one guest. They may drive their own vehicle or be driven by their guest. Every individual must have a numbered ticket to be permitted entry to the event. Individuals without a numbered ticket will not be admitted to attend.
- All individuals will wear a face covering that completely covers their nose and mouth unless they are actively eating or drinking. Individuals will put their face covering back on after they are done eating and drinking.
- Couples who arrive together in the same car will be able to take their face coverings off for photos with the photographer and put them back on as soon as they are finished taking photos with the photographer.
- Prom king and queen court will wear face coverings during the crowning and while taking a group photo after the crowning.
- Students will be allowed to dance with the one guest they arrive with.

#### **School Responsibilities**

1. To communicate the rules and regulations of the school.
2. To provide an environment that is structured and managed to promote health and safety.
3. To provide an environment that does not enable or condone illegal acts, including the use, or possession of alcohol/drugs/tobacco.
4. To promote the utilization of values and moral decision making.
5. To provide fair and equitable enforcement to these rules.
6. To inform parents and guardians of concerns about students and student behavior.
7. To take appropriate disciplinary action when students disobey school rules.

#### **Parent Responsibilities**

1. To support the school program and faculty.
2. To be legally responsible for any violation of the child's responsibility.
3. To provide an environment, before and after, extracurricular activities that promotes health safety, and responsible behavior of students including drug-free activities.
4. To assume the responsibility for transporting the child from an activity should it become necessary.

#### **Student Responsibilities**

1. To obey school rules and regulations **including all COVID-19 requirements** (See Discipline Code)
2. To respect the authority of school personnel or representatives.
3. To refrain from conduct or behavior that disrupts, or has the potential to disrupt, school sponsored activities.
4. To respect the individual rights of fellow students, school representatives, and others.
5. To refrain from illegal acts or use of illegal substances including alcohol/drugs/tobacco.

Additionally, failure of the student to meet their responsibility may result in the following consequences:

1. Immediate removal of the student from the extracurricular activity.
2. Telephone call to parents or guardians to inform them of the student's behavior/whereabouts.
3. Appearance before principal for possible action which may include suspension from ALL extracurricular activities for a specified period of time and suspension or expulsion from school.
4. Placement of the student in the care of a law enforcement official should the situation warrant it or should the parent fail to remove the student.

## Saturday, May 8, 2021 Formal Dance PERMISSION FORM

Students are eligible to purchase one guest ticket *when* purchasing their own ticket. A guest is defined as anyone not in middle school and no older than 20 years of age. Guests without prior approval will not be allowed to attend the dance. The Model student and guest must provide the following information to the main school office.

The Model student who purchases the guest ticket agrees to:

- Follow all Model Laboratory High School rules **including all COVID-19 requirements**
- Accept responsibility for all actions of their guest on the night of the event
- Arrive at the same time as their guest

For the event, the guest must agree to:

- Follow all Model Laboratory High School rules **including all COVID-19 requirements**
- Arrive at the dance with the purchaser of their ticket
