BRINGING OUR STUDENTS A ONE-OF-A-KIND EXPERIENCE. OFFERING A WORLD-CLASS EDUCATION THAT IS CONSISTENT FROM HOME TO CLASSROOM.

Protocols are based on recommendations and requirements from federal, state, and local agencies, as well as the Kentucky Department of Education and Eastern Kentucky University (EKU).

Our guidelines may change based on public health situation and/or guidance from the federal, state, regional, local, or University organizations.

1. FACE-TO-FACE OPERATIONS

- Classes will begin at 7:50 a.m. and will dismiss at 3:10 p.m. Students will be marked tardy after 8:00 a.m.
- The Extended Learning Program will be offered from 3:10 - 6:00 p.m. beginning Monday, August 24.

HEALTHY AT MODEL CAMPAIGN

- Masks that cover the nose and mouth will be required for faculty, staff, visitors, and students in grades 1 - 12. Masks should include multiple layers of fabric.
 - Masks will be optional for students in kindergarten.
 - If a student has a medical exemption to wearing a face mask, Model recommends that the family apply for remote instruction.
- Students will have daily temperature checks. Students with a fever of over 100°F will be sent home.
- Individuals in the building will be social distancing as much as possible.
- Students will have lunches in their classrooms.
- There will be limited visitors in the building.
- In place of large gatherings, assemblies, or events, there will be virtual events throughout the year.
- There will be limited sharing of resources, and enhanced cleaning procedures.
- Counseling services will continue to be provided throughout the week as needed.
- Model will have scheduled outdoor lunch rotations.
- Teachers may implement periodic outdoor classes.
- Recess and physical education will remain a part of the school day.

2. REMOTE INSTRUCTION OPERATIONS

Elected – The student's parent(s)/guardian(s) elect for the student to participate in fully remote instruction for the entirety of the Fall 2020 Semester.

Required – If a student has been confirmed with a case of COVID-19 or if a student has been identified through contact tracing, they will be required to self-isolate/quarantine. They will receive instruction remotely until they are given clearance from their healthcare provider or the local health department to return

Nontraditional Instruction (NTI) – Nontraditional instruction is an alternate form of learning that would replace face-to-face instruction school-wide. NTI will occur if the federal, state, or local government orders it, or if there is a high percentage of confirmed cases in the school, or if the school is unable to adequately provide educational services because of faculty/staff absences due to confirmed cases or contact tracing.

- All K-12 students will meet for a minimum of two (2) remote contact sessions per week with additional assignments in the interim.
- These sessions will be virtual classes with teachers and other students.
- Support and accommodations as specified by a student's 504 or IEP plans will be implemented virtually.
- All students enrolled at Model will receive instruction on the same skills, content, goals, and objectives of their course(s)/class.
- Counseling services will continue to be provided throughout the week as needed.
