Proposed Recreation Fields

April 19, 2016
Herman Lee Donovan
President, Eastern Kentucky State Teachers College, 1928-41

“It is absolutely necessary that we protect the children of a democracy in such trying times as these.”
An aging campus
Education Complex
Education Complex

- Commonwealth’s only remaining Pre-K-12 laboratory school
- Model Laboratory School provides clinical experiences for EKU students, demonstrates evidence-based strategies
- One-stop environment for classroom instruction and clinical preparedness
- Goal: be premier location for preparing Kentucky’s educators for instruction in the 21st Century in a 21st-Century facility

Cost: $83,455,000
FIRE SAFETY COMPLEX
